

Esha Gajjar, B.S., M.S.
Associate, Regulatory Strategy

Esha Gajjar is an Associate of Regulatory Strategy at Advyzom. Esha acts as a regulatory US Agent and/or on large projects supports the Global Regulatory Leads. She has played a role on filing NDAs, INDs, CTAs, Fast Track Designations, and Orphan Designation applications. She supports the development of global regulatory strategic plans with the conduct of precedent research and assessment of the regulatory landscape.

Previous to Advyzom, Esha worked at Bristol Myers Squibb within the Global Oncology Regulatory team and worked at MedPacto Therapeutics Inc. to support regulatory activities in early development. Esha has experience working on drugs and biologics across therapeutic areas including oncology [including hematology, cell-therapy, and immune-oncology], immunology, and fibrosis. She also was a Research Assistant at the Children's Hospital of Philadelphia with the Division of Pediatric Neurosurgery at CHOP and a Clinical Associate at Princeton Brain, Spine & Sports Medicine.

Esha received her Master of Science in Regulatory Affairs from Northeastern University and received her Bachelor of Science in Biological Sciences from Drexel University.
